

## Experiential Attestation Form

Thank you for agreeing to be an attester. Please confirm that the applicant has a high-level of competency in the area of **Environmental Health** by commenting on each competency listed on the next pages. If the applicant has provided specific examples, please regard them as suggestions, which you may use or edit. If you can verify that the applicant has sufficient experience in a particular competency, then select "Yes" for that competency and provide specific examples. If your experience with the applicant is not sufficient to verify the competency, then select "No." If you do not have enough space below, use a separate sheet of paper and note the competency area name and number for each example. Sign this sheet and any extra sheets used.

Should you have any questions, please contact Lanie Kepler (contact information listed below).

Thank you for your participation in the certification process.
