

IPHA 82nd Annual Conference **Driving Public Health Forward**

Illinois, here we come!

CALL FOR PROPOSALS

The Illinois Public Health Association's 82nd Annual Conference Planning Committee invites you to submit proposals on a wide variety of topics supporting the conference theme, *"Driving Public Health Forward."*

Selected presentation proposals will be invited to facilitate a session during the **IPHA 82nd Annual Conference**. The sessions are an excellent forum to highlight public health success stories, develop new skills, demonstrate best practices, exchange lessons learned, share current research, and discover valuable resources on topics such as:

- Policy, Systems, and Environmental Change Efforts
- Health Equity
- Violence Prevention
- Communications and Health Advocacy
- Leadership Development
- Research/Data Needs Assessments
- Community Health Work
- Innovations in Public Health Practice

IPHA 82ND ANNUAL CONFERENCE CALL FOR PROPOSALS

Selection Criteria

The Conference Planning Committee will select proposals that best exemplify the following criteria:

- **New Material and Hot Topics**
 - New pioneering content, research, and innovative ideas
- **Actionable Information**
 - Content that attendees can put into practice instantly
- **Best Practices and Lessons Learned**
 - What works and what is effective?
- **Interactive Presentations**
 - Engage the audience in active learning and skills development

There are limited session slots available on the conference agenda. The Conference Planning Committee will make special consideration for proposals that address one or more of the following priorities:

- **Social Determinants of Health**
- **Trending Public Health Issues**
- **Workforce Development**

**Proposals must be submitted no later than
Friday, April 21, 2023 at 5:00 PM CST.**

The Conference Planning Committee will notify selected presentation proposal authors of their acceptance by Friday, May 19, 2023.
