

How to Stay Connected

[Blue ReviewSM](#) – A monthly newsletter used to communicate timely information related to:

- New products, program and services
- Notification of changes as required by contract or other mandates
- Provider initiatives and resources

[News and Updates](#) – Important news, updates and reminders. We recommend providers to review this section weekly. Includes archived articles.

[Webinars and Workshops](#) – We offer free webinars and workshops for the independently contracted providers who work with us. These trainings focus on electronic options and other helpful tools and resources.

[Provider Network Consultants](#) – Our PNCs serve as the liaison between BCBSIL and our independently contracted provider community.
